

## Nursery Home Learning

Below are some activities that you can complete at home with your children.

<p>During your daily walk, take photos of items which make up the colour of the rainbow.</p> 	<p>Design a new dinosaur. Draw a picture of it and tell a grown up about your dinosaur. How many teeth does it have? Is it big or small? Is it long or short? Does it have 2 legs or more?</p> <p style="text-align: center;">Can you give it a name?</p>	<p style="text-align: center;">Water Painting</p> <p>Get a pot of water, some paint brushes and paint pictures and shapes outside on the ground or walls.</p>	<p>Create a card or picture for someone in your family who you might not be able to see right now. Try to use lots of bright colours! Keep it safe so you can give it to them when you're allowed to see them again.</p>																											
<p>Get a piece of paper, draw round something circular. Cut out the circles and label the holes with different numbers e.g. 1, 2, 3, 4, 5 etc. Make a paper aeroplane, can you throw it through the holes. How many points can you get altogether? Make note of the numbers you fly through.</p> 	<p>Spell out your name and complete the activity for each letter.</p> <table border="0"> <tbody> <tr> <td><b>A</b> 6 star jumps</td> <td><b>J</b> March like a soldier for 5 seconds</td> <td><b>S</b> Do 7 steps backwards</td> </tr> <tr> <td><b>B</b> Hop on 1 foot 6 times</td> <td><b>K</b> Pat your knees 8 times</td> <td><b>T</b> Prowl around like a lion for 6 seconds</td> </tr> <tr> <td><b>C</b> 10 jumping jacks</td> <td><b>L</b> Run around in a circle 4 times</td> <td><b>U</b> Jump around like a kangaroo for 4 seconds</td> </tr> <tr> <td><b>D</b> Touch your toes 4 times</td> <td><b>M</b> Walk like a crab for 5 seconds</td> <td><b>V</b> Kick a ball around for 6 seconds</td> </tr> <tr> <td><b>E</b> Jump up and down 5 times</td> <td><b>N</b> Hop around like a rabbit for 7 seconds</td> <td><b>W</b> Flap your arms like a bird 10 times</td> </tr> <tr> <td><b>F</b> Turn around 3 times</td> <td><b>O</b> 5 knee high jumps</td> <td><b>X</b> Waddle around like a penguin for 7 seconds</td> </tr> <tr> <td><b>G</b> Hop on 1 foot 6 times</td> <td><b>P</b> Swim around like a fish for 8 seconds</td> <td><b>Y</b> Throw a ball in the air</td> </tr> <tr> <td><b>H</b> Balance on 1 foot for 4 seconds</td> <td><b>Q</b> Gallop like a horse for 6 seconds</td> <td><b>Z</b> Do 6 steps to your right</td> </tr> <tr> <td><b>I</b> Jump like a frog 4 times</td> <td><b>R</b> Jog on the spot for 10 seconds</td> <td></td> </tr> </tbody> </table>	<b>A</b> 6 star jumps	<b>J</b> March like a soldier for 5 seconds	<b>S</b> Do 7 steps backwards	<b>B</b> Hop on 1 foot 6 times	<b>K</b> Pat your knees 8 times	<b>T</b> Prowl around like a lion for 6 seconds	<b>C</b> 10 jumping jacks	<b>L</b> Run around in a circle 4 times	<b>U</b> Jump around like a kangaroo for 4 seconds	<b>D</b> Touch your toes 4 times	<b>M</b> Walk like a crab for 5 seconds	<b>V</b> Kick a ball around for 6 seconds	<b>E</b> Jump up and down 5 times	<b>N</b> Hop around like a rabbit for 7 seconds	<b>W</b> Flap your arms like a bird 10 times	<b>F</b> Turn around 3 times	<b>O</b> 5 knee high jumps	<b>X</b> Waddle around like a penguin for 7 seconds	<b>G</b> Hop on 1 foot 6 times	<b>P</b> Swim around like a fish for 8 seconds	<b>Y</b> Throw a ball in the air	<b>H</b> Balance on 1 foot for 4 seconds	<b>Q</b> Gallop like a horse for 6 seconds	<b>Z</b> Do 6 steps to your right	<b>I</b> Jump like a frog 4 times	<b>R</b> Jog on the spot for 10 seconds		<p>Practice number formation, 0 to 9.</p> 	<p>While on your daily walk collect leaves.</p> <p>When you get home create some leaf rubbings.
