

Mrs Deavin has been enjoying half term, spending lots of time relaxing with her family – she even slept in a tent in the garden one night!! We hope you have had lots of fun too and have made the most of the sunshine!

Literacy activities	Maths activities	Creative activities	Family activities															
<p>Draw and colour a picture of something you did in half term. Write some words or sentences to label your picture.</p> <p>Remember those sentence stems</p> <p>It is a.... This is a.... I went to.....</p>  <p>I Watched a dinosaur Movie It Was sooper exsiting</p> <p>on saturday I Went to the metrodome to watch a play I Watched the side</p>	<p>Foods come in lots of different colours, especially healthy fruits and vegetables.</p> <p>How many different foods can you think of that are red, green, yellow and brown?</p> <p>Can you record your foods in a table – draw and/or list the foods.</p> <table border="1" data-bbox="757 938 1043 1350"> <thead> <tr> <th>Colour</th> <th>Foods</th> <th>Total Number</th> </tr> </thead> <tbody> <tr> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td></td> </tr> </tbody> </table>	Colour	Foods	Total Number													 <p>Draw and colour or paint a portrait of your favourite toy or a member of your family. They need to sit really still until you have finished your portrait! 😊</p> 	<p>Create a treasure hunt for someone in your family – try to write down the things they need to find.</p>

Literacy activities

Listen to The Very Hungry Caterpillar – you can watch it here if you don't have the book -

<https://www.youtube.com/watch?v=75NQK-Sm1YY>

Can you draw pictures of the things the caterpillar ate and try to label them or write a list?

Maths activities

Use the table below to add together the things that the Hungry Caterpillar eats.

Apples + Strawberries =
Oranges + Plums =
Monday + Tuesday =

Creative activities

Make some ice paints!

Put some water into an ice cube tray with a few drops of food colouring or a little squirt of paint. Stick in a lolly stick or a small spoon before putting them in the freezer.

Family activities

Help your grown-ups with some chores around the house.

Continue to read with a member of your family at least 3 times a week.

Remember - Oxford Owl is allowing free access to their reading books so there are plenty to choose from if you need a new one.

<https://home.oxfordowl.co.uk>

Practice writing your numbers – make sure you get them the right way.

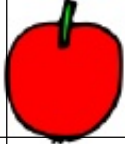

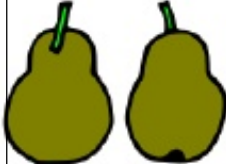

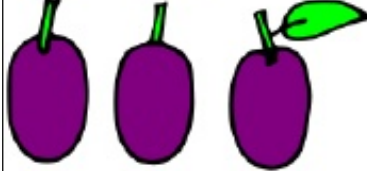

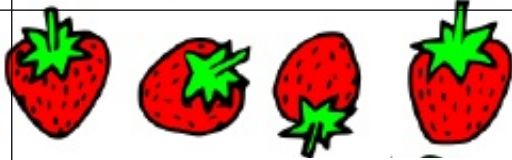

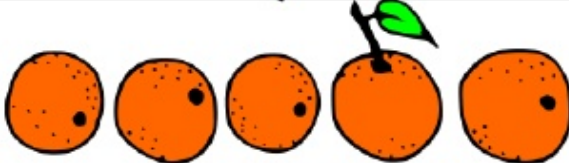

Use the number rhymes from your pack to help you.

Go for a walk in your local area – collect some natural objects on your way. Can you use the objects to make a nature picture, a nature face and just a pattern?

What did the caterpillar eat?
