<p>Can you practise writing your letters?</p> <p>This week focus on your tall letters! l h k t b d</p> <p>Remember tall letters touch the top of the line!</p> 	<p>Can you look for 5 circle things at home?</p> <p>Draw these if you can!</p> <p>What can you tell me about the circles?</p>  <p>Circle</p>	<p>It was National Best Friend week this week! Can you draw a picture of you and your friends?</p> 	<p>Play I Spy with your grown up! See if you can remember your sounds!</p> <p>See how many things you can think of with the sound that you have chosen!</p> <p>I Spy with my little eye something beginning with a....</p> 
<p>Literacy Activities</p> <p>Continue to read with a member of your family at least 3 times a week. Remember - Oxford Owl is allowing free access to their reading books so</p>	<p>Maths Activities</p> <p>Can you add together the pictures to complete the sums? See if you can create your own sum at the end!</p>	<p>Creative Activities Family Activities</p> <p>We are expecting nice weather next week so it would be a perfect time to go outside and do some shadow drawings. You can use your favourite toys,</p>	

there are plenty to choose from if you need a new one.

<https://home.oxfordowl.co.uk>

The worksheet is attached at the bottom!

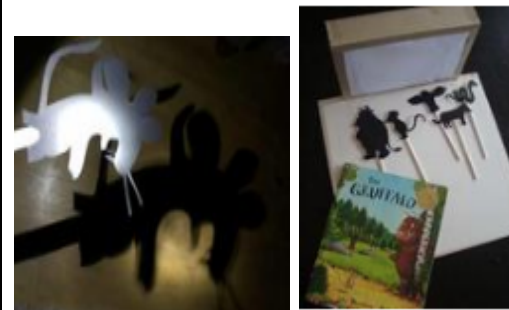

animals or one of your family members to draw around.

Here are some ideas of how to do some shadow drawings:

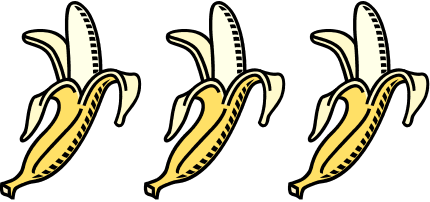

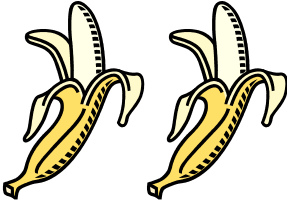

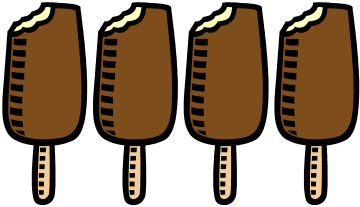

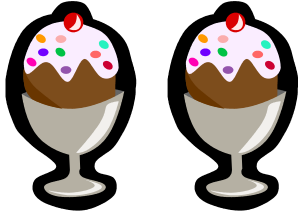

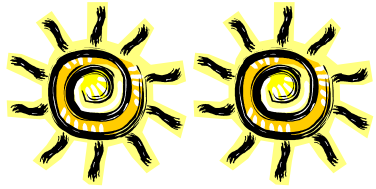

If the weather isn't good you can always make your own shadow puppets in the comfort of your own home. Here is an example from The Gruffalo! You can use a lamp or torch and act out the story to your grown up.

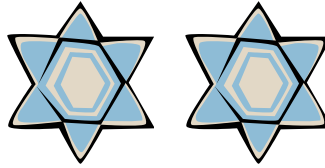

Solve these additions. Write the numbers in the boxes.
