

### Activity 1

You guys are all doing fabulously with Accelerated Reading - keep going, keep reading and keep quizzing!

<https://readon.myon.co.uk/library/browse.html>

### Activity 2

Your maths skills can go rusty if you don't keep practising so make sure you log onto Times Table Rock Stars at least once a day. Challenge your friends and see if you can beat them!

### Activity 3

Can you design your own Solvemoji on a theme of your choice for me to solve? Send it into school and I will have a go!

$$\begin{array}{l} \text{Owl} + \text{Owl} + \text{Owl} = 42 \\ \text{Cat} \times \text{Cat} + \text{Owl} = 114 \\ \text{Cat} + \text{Cat} \times \text{Panda} = 55 \\ \text{Cat} + \text{Owl} \times \text{Panda} = ? \end{array}$$

### Activity 4

Keep your body and mind healthy!  
Get up and get your body moving! Use an online workout, put some music on and make up dance moves, jump up and down 50 times... whatever exercise you enjoy, do it for at least 30 minutes each day and you'll feel fabulous!

### Activity 5

Can you join **all** of the nine dots using **only four** straight lines without taking your pen off the paper? Your lines can be horizontal, diagonal or vertical but you are not allowed to go over any line twice. Can you make your own dotty puzzle? Send it into school for me to have a go!

### Activity 6

Answer the questions about the picture below...

Why is the man all alone?

Who is he?

Is he a real person?

What do you think is happening in the picture?

Is it real, or part of his imagination?

Why has the artist chosen to use darker colours in this picture do you think?

What questions would you ask the man if you were beside him?

**Activity 7**  
**(task 8 continued)**

Can you write a paragraph about the picture in task 8 describing the movement of the leaves as they are blown from the tree in the image?

Focus on using interesting verbs, adjectives and adverbs.

*E.g. As the harsh wind blew, crisp, black leaves danced from their branches, leaping gracefully through the air like tiny dancers before finding their resting place on the ground below.*

**Activity 8**

It is so important to look after nature, the environment and our planet. When lockdown started three months ago, people worked from home, schools closed, people drove cars less and many airplane flights stopped so pollution (particularly air pollution which is bad for our planet and our health) improved. As lockdown eases, can you think of ways that we can keep pollution down to help out planet in the future? The link below might help. Make a poster with your ideas.

**Activity 9**

Over the past week, there have been protests across the world about the death of George Floyd with protestors demanding equality for black people.

<https://www.bbc.co.uk/newsround/52813673>

Read the Newsround article and write down your thoughts about the protests and why you think people feel so strongly about this movement. How can you support equal rights and fairness to people from other backgrounds? What can you do to help people who are being treated differently because of their skin colour or their background?

**Activity 10**

Last week, the famous street artist Banksy unveiled some art to support the *Black Lives Matter* movement (take a look at the link below.) Make your own bit of 'street' art by using these graffiti

**Activity 11**

Make your own mini science experiment at home. Using different household materials (plastic bags or paper of different sizes, string, sellotape, plastic cups and uncooked eggs) make three different sized parachutes

**Activity 12**

Look at the clues and have a go at the crossword below. Once you've completed it, make your own and give it to your family to try.

letters below, copy them and write your name or a message.

### **Mr Warren's Activity Update!**

This week, I have been taking Desmond out for lots of walks in the woods. The peace and quiet of the woods has helped me stay positive and the fresh air has kept me healthy. I hope you are all managing to get outside and get some exercise in the fresh air.
