

Literacy Activities

Can you think of an object that begins with every letter of your name?

Here is an example below.

A - apple

M - mat

Y - yoghurt

Math's Activities

Can you create your own number line for numbers 0 - 20.

There is a blank template (available from the home learning site) for you to use.

Write your numbers as neatly as you can!

Creative Activities

This week, I would like you to create a family portrait.

Paint/draw a picture of you and whoever you live with!

Family Activities

Help your grown ups with some chores around the house!

Literacy Activities

Continue to use Phonics play to practice your sounds!

<https://www.phonicsplay.co.uk/>

Math's Activities

Can you play these games to practise creating patterns?

<https://www.oxfordowl.co.uk/api/interactives/24441.html>

Creative Activities

This week I would like to complete your music mission on Charanga.

<https://charanga.com/site/>

Your login is included in your pack that you were given from school!

Family Activities

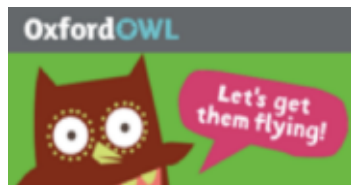

I would like you to write some instructions to make a kindness potion!
What would you add in?

Literacy Activities

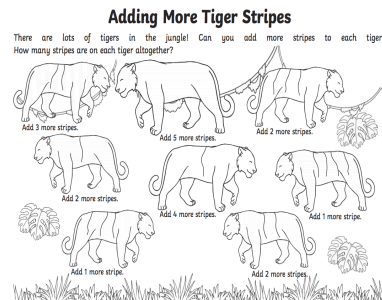

Continue to read with a member of your family at least 3 times a week. Remember - Oxford Owl is allowing free access to their reading books so there are plenty to choose from if you need a new one.

Math's Activities

Can you complete the worksheet attached and add on the tiger stripes?

Creative Activities

Family Activities

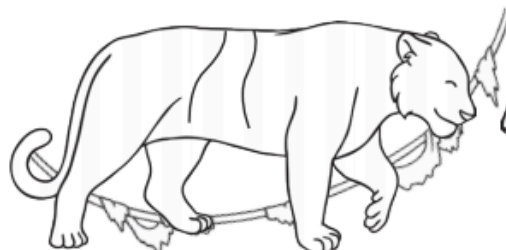

Find a recipe and follow it to bake a cake or make a snack. Share it with the people that you live with.

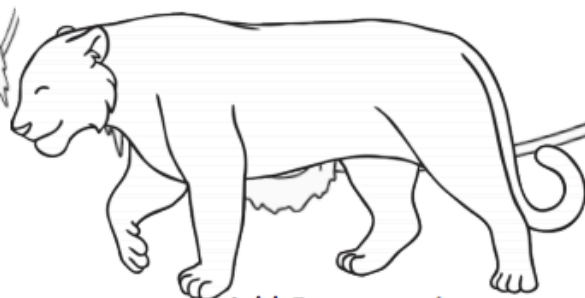

Adding More Tiger Stripes

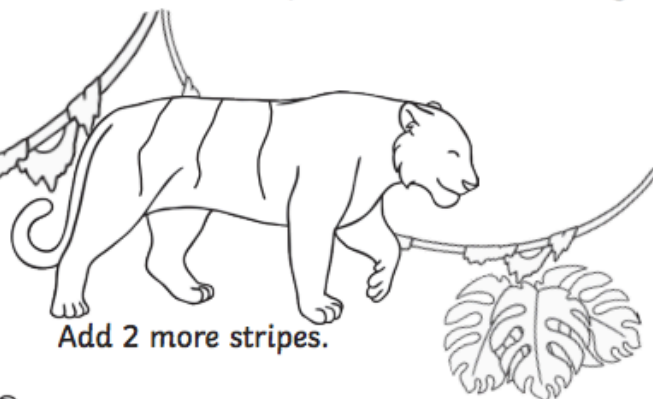

There are lots of tigers in the jungle! Can you add more stripes to each tiger? How many stripes are on each tiger altogether?

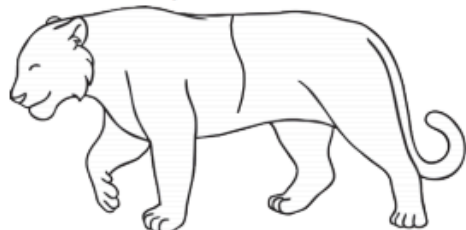

Add 3 more stripes.

Add 5 more stripes.

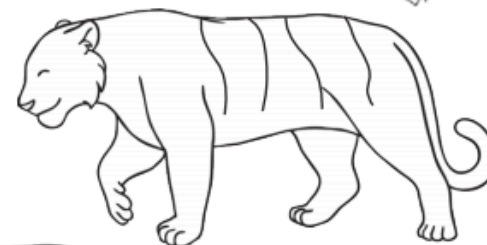

Add 2 more stripes.

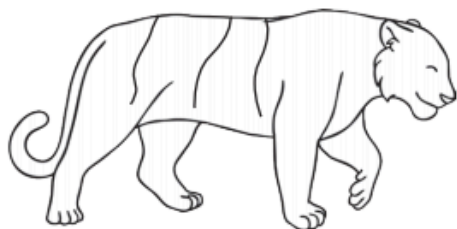

Add 2 more stripes.

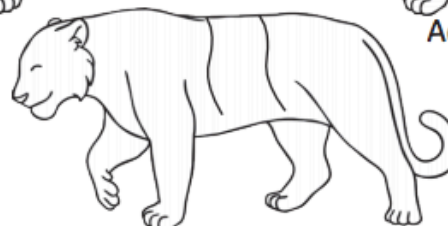

Add 4 more stripes.

Add 1 more stripe.

Add 1 more stripe.

Add 2 more stripes.
