

Task 1

Have a movie day! Make some snacks, curl up under a duvet and celebrate the end of the school year by watching your favourite movies. Write a diary entry or movie review of what you watched.

Task 2

The school year is drawing to a close which is a very good time to reflect on what you want to achieve next year. Make a list of things that makes you feel excited and worried about into Year 5 then with an adult, write down ways you can help to cope with these feelings. It'll make you feel more prepared for going into the new school year!

Task 3

Do a workout by putting together all of these great activities:

- Run on the spot with forward punches
- Sit down, Touch Toes, Stand up, Clap
- Star Jumps
- Squat, Squat, Lunge, Lunge
- Mountain Climbers
- Sprinting on the spot

Repeat them as many times as you can! Don't forget to check out Joe Wicks on YouTube for more great workouts.

Task 4

Last week, you looked at animals that inhabit different countries and areas. This week, your task is to find out about animals that live in water. Using the internet or books you may have, find out interesting facts about animals that live in ponds, lakes and in the ocean. Make a fact file about three animals, explaining why they are suited to living where they do.

Task 5

This year we didn't get the chance to do our class assembly so make your own! Write down all of the things you've enjoyed and achieved whilst in Year 4; what have been your high points of the year? What could you have improved on? What was your favourite part of being in Year 4? Present your assembly to your family or record it for us to see at school!

Task 6

This week's National Children's Art Week theme is *Connecting Across Generations*. Check out the website below for ideas and information.

11		22			55		77	88		110		132
12	12		36	48	60		84		108	120		

Task 8

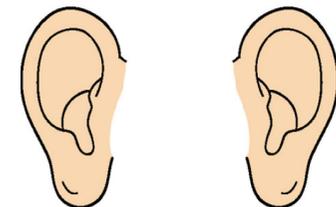

Soon we will be starting seven week of summer holidays; what would you like to do? Write a letter to your mam, dad, grandparent or grown up at home explaining all of the things you would like to do during the holidays. Have a look online to find things you can do around the North East; there's loads of ideas. Will you pack a picnic and head to park? Will you visit a local castle or a public garden? Try to think of something new to do each week. Remember to make your letter persuasive

Task 9

Have a go at making this homemade hearing aid and then think about what you know about how sounds are made - can you explain what's happening?

- Roll a large sheet of paper into a cone shape. One end should be as large as possible. The other end should have a hole about the size of a penny.
- Sellotape the paper so the cone doesn't unravel.
- Hold the narrow end of the cone to your ear. **Don't** put the cone in your ear - your ears are very delicate and you don't want to damage them!
- Walk around your house - what can you hear? Are the sounds louder? Can you hear sounds you haven't heard before?

Think back to what you know about sound and how it travels. Write an explanation about what has happened.

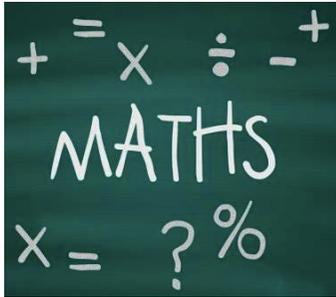

Task 10

I am more than 40. The sum of my digits is 8. My ones digit is 1. What am I?

I am a multiple of 5. I am three times as much as $(4 + 1)$. What am I?

I am 43 less than 50. I am one more than the sides on a hexagon. What am I?

Can you make your own maths riddles?

Task 11

Silent letter challenge

Write as many words as you can think of that have a silent letter in them. eg knight

Once you have listed them, write them in a sentence.

Task 12

After nearly four months, lockdown restrictions are now beginning to ease. Watch this Newsround video featuring children reflecting on their experiences of lockdown and write down your highs and lows of the lockdown period.
